Re: Hukill Chemical Corporation -
Chemical Recovery Systems Site, Elyria, Ohio

Dear Mr. Nash:

The purpose of this letter is to advise you that Hukill Chemical Corporation (HCC) has decided to accept U.S. EPA's offer to enter into a *de minimis* settlement to resolve HCC's liability under CERCLA with respect to the above-referenced site. Accordingly, pursuant to your February 10, 2003 letter, I am enclosing the signature page of the Administrative Order on Consent (AOC) signed by Mr. Robert L. Hukill, President of HCC.

It is my understanding that U.S. EPA will notify us when the AOC becomes effective and will provide instructions regarding payment of the *de minimis* settlement amount at that time. In the meantime, please contact me if you have any questions regarding this matter.

Very truly yours,

Susan R. Strom
